ORIGIN AND PROGRESS OF THE CHURCH AND PARISH OF HOLY TRINITY,  
RYDE, BY THE VICAR, REV. A. J. WADE, M.A.

.....the Rev. P. P. Bastard, who was to have been the first incumbent, was the first to be interred in the vaults. His health failing hopelessly, he could not undertake the duties, and I was appointed in February, 1846, the first incumbent of the church, and performed the burial service over his remains the following May. Alas! how manifold are the changes and chances of this mortal life—may we seek our rest above.
