Ex-SOLDIERS DEATH. Much sympathy has been expressed with Mrs. PARSONS of Abingdon road, and family in the death of ex gunner **Reg. PARSONS R.F.A.**, her unmarried son, who passed peacefully away on Christmas Day, aged 27. The deceased was in India during the war and on his return home followed the trade of carpenter and decorator, which was that of his father who it will be recalled was killed by a bicycle in St. John's road nearly two years ago. The deceased was a smart young fellow and much liked and he was buried on Thursday amidst many signs of respect by relatives, friends and neighbours.
